

Nursing - Student Success (NURS-SS)

COURSES

NURS-SS 2232. LEARNING PROFESSIONAL NURSING AND LIFE SKILLS. 2 Hours.

This course focuses on the development and successful use of time management, test-taking skills, study methods, and additional student success strategies that can support students pursuing the BSN Prelicensure Program. Required for students who fail an upper-division nursing course.

Prerequisite: Admission to the BSN Prelicensure program.
