

Interdisciplinary Programs

OVERVIEW

Interdisciplinary programs involve two or more academic, scientific, or artistic disciplines. The College of Engineering supports a number of undergraduate interdisciplinary programs and recently added a new program in data science at the graduate level.

UNDERGRADUATE PROGRAMS:

- [Minor in Nuclear Engineering \(http://catalog.uta.edu/engineering/#text\)](http://catalog.uta.edu/engineering/#text)
- [Minor in Sustainable Engineering \(http://catalog.uta.edu/engineering/#text\)](http://catalog.uta.edu/engineering/#text)

GRADUATE PROGRAMS:

- [Master of Science in Data Science \(http://catalog.uta.edu/engineering/interdisciplinaryprgrms/graduate/\)](http://catalog.uta.edu/engineering/interdisciplinaryprgrms/graduate/)
